Social Committee News

Thanks to Helene and Milton we once again had the opportunity to show how much we care for each other and the park. I'm sure we can continue that without any more hurricanes. Again, thank you to Laura and her staff, Jim Walsh and the board and every member of the park. That includes the lady who walked around picking up screws to those who took care of their neighbors houses when some of us weren't here.

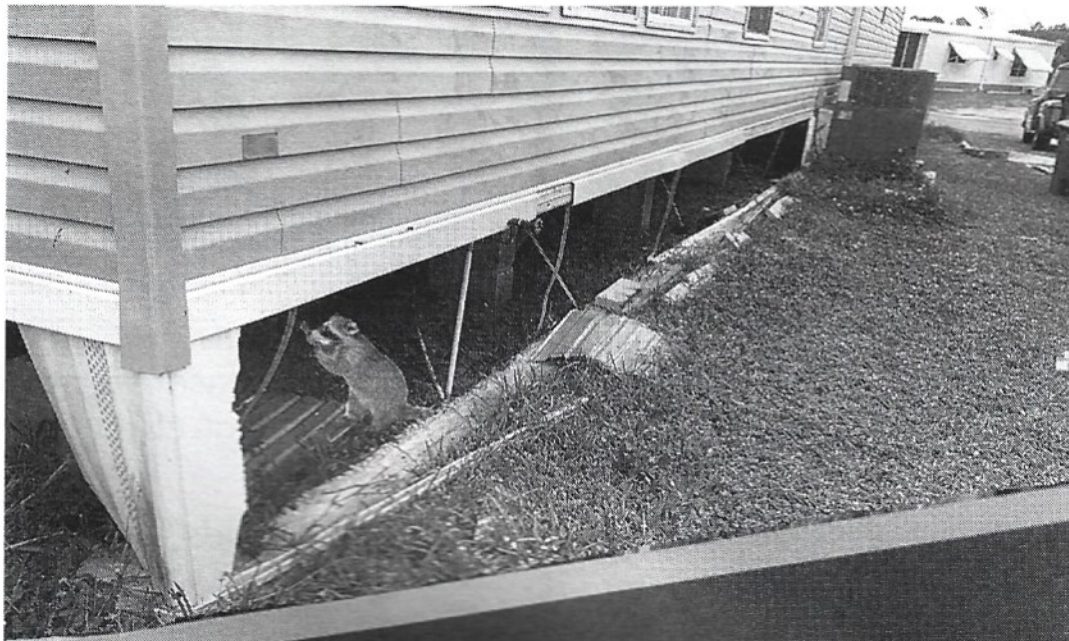

November is time to really get back to all of our usual activities especially now that so many of our friends have returned for the winter. Unfortunately all the plans for Veterans Day and Thanksgiving haven't been finalized, but something will be happening, so watch for information. As you all know, the craft show will be on Nov. 16th and the baked goods will be happily appreciated and excepted on the evening of the 15th or early on the 16th. The volunteer sheets are still on the back tables in the clubhouse waiting for more names of those willing to volunteer for just an hour or two on the 16th. We still have room for more vendors, so give me a call if you are interested.

I'm still waiting for a couple or few people to volunteer to host the New Year's Eve party. The band is booked, so we will be celebrating!

Ginny Storey - Social Chairwoman (610)-506-4428

Men's Day Out

Purpose of the Veranda Springs Social Committee

The Social Committee's purpose is to help provide and/or assist with activities that offer fellowship, fun, and enjoyment to all who wish to participate. The cost of these events is to cover expenses, with any excess going to the HOA to help defray expenses of the HOA. Any HOA member is welcome to host; just discuss it with any of the social committee members listed below.

Hosting an event requires responsibility and work but NO cost other than purchasing your own tickets just like everyone else in the past. The host is responsible for planning, finding help, planning a flier (hand delivered fliers are not necessary) and getting tickets from Susan Fullum. Hosts sell tickets at coffee on Thursday mornings for Three weeks prior to the event. Decorations for the event, and purchasing all items including food (*other than those provided by the HOA*) necessary for the event can be purchased with the money collected from tickets sales. It is not necessary for the hosts to pay anything for the decorations out of their own pocket. (Check with Pam or Cindy to learn what decorations are left from previous events.) Keep all receipts for items purchased for the event as they must be turned in with the final report. (*If you are purchasing items for yourself, please have them on a separate receipt for yourself*). The other main duty is setting up and cleaning up the kitchen and hall immediately after or within 24 hours of the end of the event. More detailed instructions will be given when you get the date and approval for the event. All money, receipts and forms are then returned to the social committee hopefully within 48 hours of the end of the event.

The committee is not responsible to host all of the events! We are here to help and assist any volunteering host with anything they need for the event. Feel free to talk to any one of us with event ideas or offers to host or help with an event. Help is always appreciated.

Ginny Storey (610-506-4428) Chair

Meet Your New Neighbors

Brian and Laurie DuFour 3603 Belvoir Drive

Brian is definitely not new to the park as he has been coming here to visit his Mother, Arlene Stultz, for over thirty years.

He and Laurie are from the state of Massachusetts. They both retired in June and decided to become snowbirds here. Between them they have four married children and twelve grandchildren

ranging in age from 3 to 21. All of them reside in the New England area.

Brian has worked as a refrigeration engineer and likes to keep busy. Maybe in the future we will refer to him as our local handyman. Laurie retired from the IRS after working as a training coordinator but now keeps busy shopping as they find they need replacement items for both of the houses. They currently are living in Arlene's house while they remodel theirs on Belvoir. The process is keeping them quite busy for now, but I'm sure we will see more of them once they get settled.

Char McMaster 9714 Rosario Drive

Char refers to herself as a real "Cowgirl". She comes to us from Northern Nevada. Prior to that she lived in California and was born in Massachusetts. Char moved here to be closer to her parents and sister who live in parks close to here. Sadly she left behind her home, college age son who attends the

University of Nevada and her beloved horse. She works as a dental assistant at North River Dental

Char misses riding her horse on trails in NV and is now in search for the perfect places to ride her bike and go bowling. She enjoys playing pickleball (especially with her sister), walking her two dogs, (Lillie and Kiko), and collecting shells at the beach. Hopefully, she will sell some of her shell ornaments at our craft show in November.

Dan Ferraro 9709 Rosario Drive

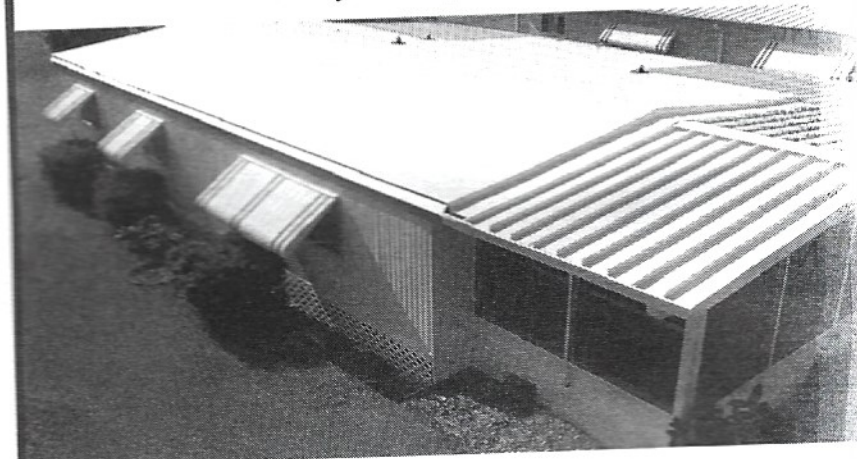

Dan purchased his home here in July and has been gradually updating and remodeling ever since. It is still a work in progress. However, he is now settling in and getting to know his way around the park.

He was born in Connecticut and lived in the Buffalo Creek area until moving here. He still has a sister who lives in Connecticut and he has two grown sons who live nearby and work in the air conditioning business. In December he will be announcing the arrival of a granddaughter.

Dan is one of our younger (but over 55) residents and unfortunately still works as an auto mechanic in Palmetto. He is already looking forward to retirement so he can have more time to enjoy fishing and his shared favorite sport, drag racing with his sons. In the meantime, besides remodeling, he enjoys cooking. He is also interested in meeting more people, both young and old, here in the park.

HOA (Homeowner's Association) Membership

Welcome to all our new homeowner's and snowbirds who are coming back from their summer homes. Our community was not immune from the effects of Hurricane Milton. We did not have a lot of time between Debby and Helene when this last hurricane came upon us. Words cannot express the sadness I see around me. It looks like a bomb went off, but we are "OK!" We have been blessed. We made it through with just material damage. Some of us are still in shock, but we will get through this as a community. I have seen such an outpouring of neighbors helping neighbors. I know I always encourage you to join the HOA, but this month, I just want to thank each and everyone who live in our community. Yes, you can still join the HOA for 2024. If you would like to do that, please contact me and I will get you signed up.

*May God bless each and everyone of you,
Cheryl Longwell*
